

10 Things They Don't Teach You in College

A college education provides a wealth of information and experiences that will support a prosperous and happy life. However, there are also some hidden keys to success that aren't a part of a typical college curriculum.

The **DSU Women's Resource Program** invites all DSU students to attend a one-hour interactive presentation, in which Mary Ann Holladay (Utah Women's Education Initiative Director) will review 10 ingredients that she attributes to her success in business as well as in her personal life.

Date: Tuesday, March 19

Time: 12 noon to 1 p.m.

Location: Dunford Auditorium in the Browning Building
