

# Lessons Learned

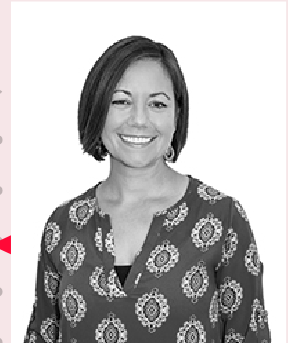

## A Fall Mentoring Workshop

ATTENTION: *DSU Female Faculty and Staff*

September 8, 2017 (Friday) 1:00-2:30 p.m. in the WEDU room 117

Dr. Adriana Brandt

Assistant Professor of ESL Education at DSU

Dr. Angie Child

Assistant Professor of Reading Instruction in the Elementary Education Program at DSU

Informal and formal mentoring of students is an important, but often overlooked, component of the professional life of university faculty and staff. Yet there is no one set of hard-and-fast rules for effective mentoring; rather, context and relationship play key roles in effective mentorship. In this roundtable, Angie and Adriana will draw upon their diverse experiences in mentoring students and early professionals to share strategies for effective mentorship of the students we encounter at DSU.
