"Mentoring Future Researchers: Identifying and Fostering Potential" by Dr. Olga A. Pilkington

SEPTEMBER 23 WEDNESDAY @ 2 PM

Zoom ID: 912 9330 8844
OR go to wrc.dixie.edu and click on "Events" tab to join

Dr. Olga A. Pilkington is Assistant Director of the DSU Undergraduate Research and an expert in the intersection of science and humanities. All of her mentees presented their findings at professional conferences, and some have even published their work.

If you want to know more about mentoring future researchers or how to start a research project with an undergraduate, and -- most importantly -- how to fund it, this one-hour presentation is for you!
